

CCTV AND SECURITY SIGNS

Businesses operating a CCTV system are affected by the Data Protection Act 1998. Under the Act individuals have the right to access personal information including CCTV images. To enable individuals to exercise their right under the Act, "appropriately sized signs should be placed in and around the area where CCTV cameras are located." In addition the signs should, "Identify the owner / operator of the system and the purpose for which the data may be used." Use the signs shown at the top of this page to comply quickly and cost effectively. Available in Self Adhesive Vinyl, 1mm PVC and 3mm Perspex with or without fixing channel.

The security signs shown are ideal for use in high risk areas to warn visitors of security measures in place and to deter potential offenders.
